

“Saving Future Generations from Tobacco”

On Children's Day today, 14th November 2017, ACT India, Tata Memorial Hospital, Sambandh Health Foundation, Salaam Bombay Foundation, Cancer patient's Aid Association, and other NGOs organized a Program in TMH.

The theme of the event was “Saving Future Generations from Tobacco”

The Chief guest of the event was Minister of State (Home) Sh. Ranjit Patil. The other dignitaries were - Film Director Punit Malhotra and Mr Pravin Patil, Chief Security Officer, Vidhan Sabha, Mumbai. The Minister pledged to take the initiative to curb the initiation of tobacco in children. He also promised to take actions under the COTPA and JJ Act.
