

## **DISPENSARY & PHARMACY SERVICES**

Dispensary & Pharmacy Services includes the Dispensary Sales Counter, Surgical Store, Medical Stores & Dispensary & Surgical Procurement Cell

The Dispensary and Pharmacy Services of MPMCC and HBCH, Varanasi are providing excellent Services to the Patients and Staff. The Pharmacy was entrusted with additional responsibility of providing services to the COVID facility at HBCH has been providing exemplary services during the Covid -19 Pandemic in the year 2021.

During the Covid -19 Pandemic in the year 2021, despite the countrywide scarcity in the supplies, the Pharmacy department of MPMCC/ HBCH was able to maintain the adequate quantity & round the clock availability of Medicines and Surgical Consumables items, required for the management of Covid patients and also helped with the vaccination drive.

Further, in order to ensure the patient safety, the department has initiated the **ADR (Adverse Drugs reaction) monitoring programme** and submitted the ADR report to the **Pharmacovigilance Programme of India, Indian Pharmacopoeia Commission**. Simultaneously, the Dept. also applied to designate the Centre as **ADR Monitoring Center (ADMC)** and **Medical Device Adverse Event Monitoring Center (MDMC)**. Subsequently, as a positive consideration, approval letters have also been received from the competent Authority for designation of center as **MDMC and ADCM**.
