

CENTRAL STERILE SUPPLY DEPARTMENT

The **Central Sterile Supply Department (CSSD)** continues to be a major support area in the hospital. Department is functional round the clock manned with technically qualified personnel. CSSD maintained standardized procedures for sterilization of different articles used in the hospital to ensure high sterility level and maximum possible infection control.

Utilization of CSSD Equipment:

Equipment	Number of Cycles	
	MPMMCC	HBCH
Steam Sterilizer No. 1	986	980
Steam Sterilizer No. 2	1075	1030
Steam Sterilizer No. 3	1180	
Plasma Sterilizer	1941	
ETO Sterilizer	96	61

The CSSD has applied for certification program **CAHO-ACE** (Consortium of Accredited Healthcare Organization-Awareness Compliance Excellence). Virtual audit was conducted on 29th November 2021. All staff members have successfully completed CAHO-ACE basic & advance course which consists of 7 modules.
