The mandate of the committee is as follows :

1. Ensure the highest scientific and ethical standards of research at TMC
2. Review and approve proposals for clinical, basic or translational research projects (Intra and Extra mural) for scientific and ethical content.
3. Improve ethical standards and issue guidelines on ethical dilemmas related to patient care services.
4. To function as a forum to advise the administration in case of any ethical issues that may arise from patients, families or public.
5. To endeavor to be a national standard of reference
6. To issue and periodically, update and revise SOPs and guidelines for effective functioning of IECs as and when necessary.
7. Continuing the education in clinical research bioethics by holding seminars, workshops and interactive discussions for all categories of staff members including nursing and paramedical staff.
8. To initiate and commission research studies on ethical aspects of practice in TMC.

The committee does not address or interfere in matters of administration, nor does the committee function as a grievance cell for staff members.

The IEC-II will meet on the first Tuesday of every month at 2.00 p.m. (unless otherwise notified) in the IEC Meeting Room, 3rd Floor, Main Bldg., TMH. The Member Secretaries of the IEC will be members of TRAC.
