**TATA MEMORIAL HOSPITAL
(TATA MEMORIAL CENTRE)
H.R.D. DEPARTMENT**

**APPLICATIONS ARE INVITED FOR THE POST OF
SENIOR PROGRAM MANAGER
NATIONAL CANCER GRID-KOITA CENTRE FOR DIGITAL
ONCOLOGY (NCG-KCDO)**

EXPECTED ROLE

Drive programs and technology initiatives across NCG and NCG centers and measure, track and report outcomes

NCG EMR Initiative: Build strong relationships with empaneled EMR vendors, assist early adopter hospitals in implementation and validate interoperability between empaneled EMRs

TMH/TMC Initiatives: Identify key TMH/TMC solutions, complete solution re-design /enhancements to meet NCG needs and develop playbook to accelerate roll-out

New Solution Pilots: Support pilots of new solutions at interested NCG centers and support roadmap development to integrate deployed solutions with existing systems

Program Management and Governance: Institute project management discipline with NCG centers and solution vendors and ensure capacity building for sustainability of solutions

Outcomes Measurement: Create a business case and performance scorecard for each program, drive rigor in measurement and publish output/outcomes

Team Building & Engagement: Develop strong team with expertise in digital solution implementation and capacity building; Establish strong relationships with internal champions

Operations & Research: Support NCG internal digital transformation and KCDO organization development; Research successful program implementations and compile best practices

DESIRED PROFILE

Industry Experience and Qualifications

Senior professional with 8+ years of experience in driving and managing program execution across a portfolio of projects

Minimum 3 years of experience in the healthcare industry with direct involvement in technology project implementation and governance

Bachelors degree required; MBA or equivalent degree preferred

Skills and Attributes

Proven track record in leading teams and organizations to achieve business objectives through technology implementations

Demonstrated experience in building multi-level relationships with clinical and business teams at public and/or private hospitals

Strong desire to contribute to social impact at scale with a long-term view

Solid understanding of internal/external motivations, decision making process and organizational cultures to constructively drive change management

Excellent communication skills (spoken and written), strong program management experience, business orientation and ability to drive data driven decision making

Compensation: Will be commensurate with the qualification and experience of the candidate.

Job Location: Mumbai (Tata Memorial Hospital, Dr. E. Borges Marg, Parel, Mumbai – 400 012)
