Description

TATA MEMORIAL CENTRE

AN AUTONOMOUS BODY UNDER THE DEPARTMENT OF ATOMIC ENERGY, GOVT. OF INDIA

Advt. No. 132/2018

04.10.2018

DIRECTOR

HOMI BHABHA CANCER HOSPITAL & RESEARCH CENTRE (TMC)

Tata Memorial Centre (TMC) comprises the Tata Memorial Hospital (TMH), the Advanced Centre for Treatment, Research & Education in Cancer (ACTREC) and other centres across India (Vishakhapatnam, Sangrur, Mohali, Guwahati, Varanasi). The Centre is engaged in research, education and comprehensive care of cancer patients. TMC has a strong outreach programme in areas of cancer awareness and early detection and has linkages with 130 cancer hospitals including those in remote and rural areas under a program called the National Cancer Grid.

We are looking for two dynamic clinician scientists to lead the two upcoming Centres: **The Homi Bhabha Cancer Hospital & Research Centre at Sangrur / Mullanpur, Punjab (outskirts of Chandigarh) and The Cancer Hospitals at Varanasi, Uttar Pradesh.** Both centres have been modelled on the pattern of the iconic TMC, Mumbai. Each of these Centre will serve as a hub for various planned spokes in Punjab & UP delivering cancer care in a seamless manner. Each Centre is expected to register and care for over 10,000 new cancer patients annually. Both Centre will have state-of-the-art equipment for diagnosis and therapy. The Centre's will also have infrastructure and will emphasize basic, clinical, translational and epidemiological research.

Roles & Responsibilities:

Director HBCHRC [(Mullanpur, Sangrur, Punjab & Varanasi, (UP))] will chalk out a road map for cancer care delivery, translational research and training to create human resource, for Northern India. He/she will be a member of the Collegium of Tata Memorial Centre (TMC) and will report to Director TMC.

The Director will actively promote TMC's multidisciplinary approach to patient care and act as a local, regional, and national leader in innovative and collaborative models of care. The Director will create and sustain a culture of patient centeredness emphasizing quality, safety and efficiency. The candidate is expected to provide leadership to the Centre in a full time capacity.

Prescribed Qualifications:

Indian Nationals or PIO with high academic credentials (post-graduate degree in surgical, radiation or medical oncology, or onco-pathology or doctoral qualification in public health), outstanding leadership qualities, and proven managerial experience in healthcare would be appropriate candidates for this position. **The candidate should possess a postgraduate medical degree (radiation, surgical or medical oncology) from a recognized University or a recognized post-graduate degree in Oncology from USA/EU/other parts of the world.** PhD will be a desirable additional qualification. **Around 15 years of experience, after finishing residency, as attached or a full time professional in the field of cancer treatment and related research.** A track record of high quality publications in peer reviewed journals is desirable. The candidate should have been involved in conceptualization and/or execution of large clinical trials or translational research program or public health intervention/study.

Age Limit:

Preferably between 45 & 55 years, relaxable in the case of Departmental candidates and those employed in Government, Autonomous bodies and with exceptional merit and Ex-servicemen.

Terms & Emoluments:

1. Salary in Level-14 of the Pay Matrix plus allowances and other benefits as applicable as per rules of TMC (Government of India rules and pay matrix as followed in TMC). In addition to salary, Share in Hospital Income will be paid as per the existing scheme of TMC.
2. The terms and conditions will be in accordance with the bye-laws and service rules of TMC.
3. Residential accommodation and health care benefits.

Last date for online application is 31/10/2018 upto 05.30 p.m. & receiving hard copy of online application is within 08 days from last date of Online application i.e. 08/11/2018.

It is mandatory to submit online application on website : <http://tmc.gov.in> Candidates must submit documentary evidence in support of the details furnished in the Online Application Form regarding date of birth, qualifications, experience, disability certificate etc., failing which such applications will be treated as incomplete.

(P.K. SUKUMARAN)
