Description

**Ref No: TMC/AD/157/2023
20.12.2023**

**TATA MEMORIAL HOSPITAL
(TATA MEMORIAL CENTRE)
H.R.D. DEPARTMENT**

APPLICATIONS ARE INVITED FOR THE POST OF

**SENIOR MANAGER
NATIONAL CANCER GRID-KOITA CENTRE FOR DIGITAL ONCOLOGY (NCG-KCDO)**

DESIRED PROFILE

Industry Experience and Qualifications

- Senior professional with 8+ years of progressive growth and experience in developing and managing partnerships and alliances.
- Experience in the healthcare industry engaging with senior executives in medical, technology, and management roles highly preferred.
- Experience in the nonprofit or government sector is highly preferred.
- Bachelor's degree required; MBA or equivalent degree preferred.

EXPECTED ROLE

Lead external engagement and build relationships with key industry and government stakeholders and drive overall funding for NCG-KCDO special initiatives.

- **Solution Vendors:** Establish strong relationships with digital health solution vendors, align them to the overall digital transformation vision, and ensure ongoing participation.
- **Tech Organizations:** Develop strategic partnerships with tech organizations to collaborate on transformation blueprints and enable access to thought leaders and technical assistance.
- **Government:** Partner with central government to align on foundational capabilities (e.g., data standards), support the rollout of key initiatives (e.g., ABDM) and help shape policy
- **Academia:** Partner with academic institutions to help research successful digital transformation models, test new ideas, and assess market readiness
- **Donors:** Engage with the donor community to provide regular updates on initiatives and track the donor pipeline.
- **Team Building & Engagement:** Develop a strong team with expertise in channel partnerships, strategic alliances, and funding; Develop a comprehensive communication plan.
- **Operations & Research:** Support NCG internal digital transformation and KCDO organization development; Research successful partnership models and compile best practices.
- **Strategic Execution:** Develop and drive short-term (1 yr.), medium-term (2-3 yr.), and long-term (5 yr.) roadmap for partnerships supporting digital transformation.

Skills and Attributes

- Proven track record in driving short-term and long-term success across diverse sets of partnerships and alliances.
 - Demonstrated experience in building trust-based relationships with senior professionals across sectors – corporates (especially technology organizations), government, and academia.
 - Strong desire to contribute to social impact at scale with a long-term view.
- Ability to engage with a wide array of partners in effective dialogue and influence them to align to shared goals collaboratively and inclusively.
 - Excellent communication skills (spoken and written), strong program management experience, business orientation, and ability to drive data-driven decision-making.

Compensation: This will be commensurate with the qualifications and experience of the candidate.
