Description

Dear Friends, the Department of Radio-Diagnosis & Radiation Therapy play a very vital role in quality of healthcare by using latest advanced techniques with advanced modalities. CME aims to provide latest developments in the field of Radio Diagnosis & Radiation Oncology and will provide know-how that can be implemented at your work place.

The CME is schedule to be held on Saturday and Sunday 18th and 19th May 2019 scientific program designed for this CME is meant for Doctors, Radio-Diagnosis, Radiotherapy and Technologists, Medical / Paramedical Staff associated with Radio-Diagnosis and Therapy modalities.

We are happy to inform you that The National Cancer Grid (NCG) is also endorsing this course. National Cancer Grid was created to form a union of cancer centers in the country which could provide uniform and high standards of cancer care, follow uniform evidence-based guidelines for management of patients, develop human resource adequately trained to fulfill the cancer healthcare needs of the entire nation and conduct collaborative clinical research of a high standard.

We look forward to your participation
