### Description

#### Dear ONAI Colleagues

Oncology Nurses Association of India & Tata Memorial Hospital proudly announce the 5th International & 23rd National oncology Nursing conference to be held at TMH on 15th & 16th April 2024.

The theme of the conference is "Connecting dots from diagnosis to survivorship". An oncology nurse embraces the patients throughout the journey and makes the life more comfortable.

Reaching heights with more authenticity in the practices of clinical is the directiveness focussed in this conference. Evidence based Nursing identifies the reliability to make changes in the existing pattern for a good reason and improves the standard of oncology nursing learning in particular. Each one of you have an experience and present it as paper. There are exciting rewards awaiting for you on your paper presentation.

Tata Memorial Hospital is the tertiary center providing preventive, curative, palliative, rehabilitative, educational & research in cancer. This center acts as the nucleus with eight other centers governed by the same body and with a state of art technology at par with the world cancer centers.

Oncology Nurses Association of India - a professional body aims at bringing the interested oncology Nurses together. It believes in raising professional standards of oncology nursing. It runs e-journal of Indian Journal of oncology nursing - a quarterly publication. ONAI opines that such exchanges through conference spearheads the growth of a profession. This conference is a testimony of the same.
