Conference Name : ONCORECON 2018
Conference Venue : RD Choksi Auditorium, Tata Memorial Hospital, Mumbai
Conference Dates : 05-01-2018 To 07-01-2018

Description

'Cadaver flap dissection registration is now closed.'

Organised by Department of Plastic and Reconstructive Surgery, Tata Memorial Hospital

Highlights of the congress

- Video workshops covering all commonly used flaps
- Comprehensive lectures covering functional and Aesthetic aspects
- Tips and tricks to improve outcomes
- Cadaver flap & face transplant dissection workshop (limited registration available)

Scientific programme at a glance

The programme is aimed at sharing our lessons learned over 12 years of cancer reconstruction, with recommendations for safe and standard practices and avenues for experimental and futuristic work. We aim to impart our current philosophes, surgical tricks & tips and our learned collective wisdom of over the years to the next generation of reconstructive surgeons. Our alumni and national faculty will also talk on work complementing, supplementing, contradicting or questioning TMH methods of work.

- Head and Neck reconstruction
- Breast reconstruction
- Bone and Soft Tissue session
- Trunk, pelvis, perineum and genitalia session
- Tricks and Tips video session
- Future possibilities session
- Alumni session – training and life after training in microsurgery
