Adv No. : ONCOSURG2021
 Conference Name : Oncosurg 2021, 17th Annual Surgical Oncology Workshop
 Conference Venue : Tata Memorial Hospital, Mumbai
 Conference Dates : 19-11-2021 To 21-11-2021

Description

ONCOSURG 2021
17th Annual Surgical Oncology Meeting, Department of Surgery, TMH
19th-21st November 2021.

The last year has been particularly challenging for the surgical community, necessitating the development of more flexible and innovative ways to share educational content. Since the prevailing pandemic condition is ever changing and uncertain, the organising committee has taken a decision to hold ONCOSURG 2021 at the **Tata Memorial Hospital, Mumbai**, as a virtual event only, with the hope of transmitting live surgeries (subject to COVID-19 restrictions).

You can expect the same exciting and innovative scientific programming at this year's event, which has been the hallmark of the past Oncosurg meetings. Commencing on Friday 19th November, with three full days dedicated to showcase world class leaders demonstrating their techniques, we aim to present an academic extravaganza, covering the entire spectrum of surgical resections for cancer.

There will be a packed programme incorporating surgical technique and academic discussions with live surgical demonstrations(subject to COVID guidelines), master videos, live panels covering the latest guidelines and informative debates focussing on enhancing training, standardising surgery and improving skills.

ONCOSURG 2021 will be an opportunity for the community to reconnect, explore, discover, educate, and shape the future of surgical oncology!

Register at

https://tmc.gov.in/m_events/Events/EventDetail?id=8401&type=6&pg_tp=conf

(Rs. 500 for trainees and residents, Rs. 1000 for consultants).

SPOT REGISTRATION OPEN
