Description

Dear All,

The Clinical Research Secretariat of Tata Memorial Centre in association with the Department of Atomic Energy - Clinical Trials Centre conducts an annual short course in Clinical Research Methodology (CRM). Under the present circumstances the 14th Annual CRM 2021 course will be held in an online format in the month of October as a modular course spread over 4 days -9th, 16th, 23th and 30th October, 2021.

The course will focus on various aspects of the *design, conduct and reporting of clinical trials*. Topics covered will include the formulation of a research question, proper study design, conduct of research, analysis of data obtained, proper interpretation, IEC review of process, compensation clause and publication of results. The course is targeted at a broad audience ranging from those who have little experience in clinical trials to those who are already active researchers and wish to widen their knowledge of the conduct of such trials.

Attendance would be appropriate for:

- Clinical Researchers who are planning or running a clinical trial.
 - Medical staff involved in Clinical trials who are interested in expanding their knowledge.
 - Trial administrators/ Trial Coordinators / Research Nurses/ Statisticians/ others who wish to expand their knowledge of Clinical Trial Methodology
- * Registration for TMC Staff and Students are free. No last minute / spot registration will be entertained.

Please find attached the course overview.

Thank you very much,

Regards,
