COMPLIANCE OF STIPULATED ENVIRONMENTAL CONDITIONS/ SAFEGUARDS IN THE ENVIRONMENTAL CLEARANCE Ref. Letter No SEIAA/2017/298 Dated 24 April, 2017.

for Dr. Rajendra Badhwe, Director Tata Memorial Centre, Tata Memorial Hospital, Dr. E. Borges Marg, Mumbai-400012. Project at Homi Bhabha Cancer Hospital and Research Center at plot No. 01 Medicity Mullanpur Village- Mohali District- Punjab.

PART-A- Conditions common for all the three phase i.e. Pre-Construction Phase, Construction

Phase and Operation Phase & Entire Life:

	Common Conditions	Status of Compliance
(i)	This environmental clearance will be valid for a period of seven years from the date of its issue or till the completion of the project, whichever is earlier.	Agreed
(ii)	Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal ACT, 2010	Agreed
(iii)	A first aid room will be provided in the project both during construction and operation phase of the project.	We have already provided the firstaid room at the project area during the construction phase.
(iv)	Construction of the STP, solid waste, e-waste, hazardous waste, storage facilities tubewell, DG Sets, Utilities etc, earmarked by the project proponent on the layout plan, should be made in the earmarked area only. In any case the position/location of these utilities should not be changed later-on.	Agreed
(v)	The environmental safeguards contained in the application of the promoter / mentioned during the presentation before State Level Environment impact Assessment Authority/State Expert Appraisal Committee should be implemented in letter and spirit.	Agreed
(vi)	Ambient air & noise levels should confirm to prescribed standards both during day and night. Incremental pollution loads on the ambient air quality, noise especially during worst noise generating activities, water quality and soil should be periodically monitored during construction phase as well as operation & entire life	The Ambient Air Quality, Noise Level , Water and Soil quality will be monitored regularly and the report will be attached as Annexure-I

	phase as per the ministry of Environment, Forest & Climate Change guidelines and all the mitigation measures should be taken to bring down the levels within the prescribed standards.	
(vii)	All other statutory clearances such as the approvals for storage of diesel from chief Controller of Explosives, Fire Department, Civil Aviation Department Forest (Conservation) Act, 1980 and wildlife (Protection) Act, 1972 etc. shall be obtained, by project proponents from the competent authorities including Punjab Pollution control Board and from other statutory bodies as applicable.	Agreed
(viii)	The State Environment Impact Assessment Authority, Punjab reserves the right to add additional safeguards/ measures subsequently, if found necessary, and to take action including revoking of the environmental clearance under the provisions of the Environmental (protection) Act, 1986 to ensure effective implementation of the suggested safeguards/ Measures in a time bound and satisfactory manner.	Agreed
(ix)	A proper record showing compliance of all the conditions of environmental clearance shall be maintained and made available at site at all the times.	Agreed
(x)	The project proponent shall also submit half yearly compliance reports in respect of the stipulated prior environmental clearance terms & conditions including results of monitored data (both in hard & soft copies) to the respective Regional office of MoEF , the Zonal Office of CPCB, the SPCB and SEIAA, Punjab on 1 st June and 1 st December of each calendar year.	We will submit half yearly compliance reports to all the concerned departments on 1 st June and 1 st December every year. I
(xi)	Officials from the Regional Office of Ministry of Environment & Forests, Chandigarh / State Level Environment Impact Assessment Authority / State Level Expert Appraisal Committee / Punjab Pollution control board who would be monitoring the implementation of environmental safeguards should be given full-cooperation, Facilities and documents / date by the project proponents during their inspection. A complete set of all the	Agreed
